

## THE GARRET BED AND BREAKFAST – special offer

We are only 20 metres from the sailing club overlooking the club compound and over Lyme Bay. We have cancelled all other methods of booking to be able to offer a special deal to Fireball competitors.

As Stuart will probably out on the water in one of the support or mark boats we will not be able to offer a full English breakfast. The Sailing Club will be doing breakfasts and there are several cafes near by.

We offer bed and light breakfast for £35 per person per night in all rooms – Green Room Twin / Double en-suite - Red Room Double en-suite – Yellow room Single (possible twin at a squeeze!)

Good fresh water hose and drying on the patio for gear.
